

I'm in love when we smokin' on that la-la-la
(I'm in love when we are smokin' that la-la-la-la-la-la)
Ride in the Masi, we bangin' that bla-da-da
Reservations with wifey, nah, we don't do Ramadan
First I rhyme and then beat 'em, I get my Muhammad on
(I'm in love when we are smokin' that la-la-la-la-la-la)
Straight out the ghetto, still get my top Ramen on
Straight out the ghetto, drink juice out a jelly jar
I send her a Lyft for a gift if her telly far
But don't tweet out my problems, they just go in every bar
(I'm in love when we are smokin' that la-la-la-la-la-la)
Elevatin 'cause we free from the slave master
Celebrating 'cause we free from the slave master
Yeah them record labels, all them wave-crashers
I done wrote the best verses for some of y'all favorite rappers
(I'm in love when we are smokin' that la-la-la-la-la-la)
Or your favorite rappers' best verses, shit, I'll say it backwards
Either way it's the truth and you boys is gon' pay this rapper
Have these niggas that say they factors, they don't write much
Tryin' to blind us, open your eyes up, yeah
(I'm in love when we are smokin' that la-la-la-la-la-la)
B-Mac always thuggin' right beside ya
Never thought you'd let social media divide us
Still praying for ya 'cause you was my rider
Just had to step back and wise up
(I'm in love when we are smokin' that la-la-la-la-la-la)
Living large now, took it a size up
OG smoke to keep my vibes up
Just lost my granny and my nigga 2Much (RIP)
All in a matter of five months
(I'm in love when we are smokin' that la-la-la-la-la-la)
Strengthening my melanin
Listening to Doctor Ben, black king dropping gems
They love you while you got the ends
But once it's gone, they not your friends
That's why before I lock you in, I gotta check your documents (Let me make sure you official)
(I'm in love when we are smokin' that la-la-la-la-la-la)
Price, why you rapping like you just invented it?
Price, why you on that omelette with the spinach shit?
Price, why you go up on all your percentages?
Price, why you living your life so limitless?
My family frustrated I can't keep in contact
They try to divide us and send us to combat
But Hit-Boy my brother, we don't need no contracts
It's deeper than rap, man, this shit go beyond that
(I'm in love when we are smokin' that la-la-la-la-la-la)
My music got me touring and your music just got me snoring
I been getting topped in the foreign, and I hope I ain't got a warrant
My shit hot, you just got it warmin'
Me and Aqua just not conformin'
I do not fuck with Tomi Lahren
Lauren or Larrin, I ain't care

(I'm in love when we are smokin' that la-la-la-la-la-la)
(I'm in love when we are smokin' that la-la-la-la-la-la)

Don't tell me how to do me, nigga
My Turn 3, it's a movie, nigga
Black Man Going Outside, rated R too
And they don't shoot with right triggers or R2
See they shoot us in the street while they mom watching
Play no game, 2017, Tamagotchi
'Cause a nigga finna be the one Lebron watching
Yeah, a nigga finna be the one your mom watching
Yeah, pay attention by your head, nod slow
That's the rhythm, there it is, there it go
And if it ever get tense, let it flow
And if it's too much for her, let her go
(I'm in love when we are smokin' that la-la-la-la-la)
See when the ride get crazy, you supposed to put your hands up
And if you couldn't ride with me, whatcha came for?
Simple question, simple question
You never could answer simple questions
(I'm in love when we are smokin' that la-la-la-la-la)
You take all your friends' suggestions
I take this weed and count my blessings
We all know in life we all got lessons
So I hope in life you learn your lesson
(I'm in love when we are smokin' that la-la-la-la-la)
I hope you wifed and don't be stressin'
'Cause you want a normal life, I won't put pressure
You going to sleep, I'm going to sessions
You going to sleep, I'm going to sessions
My Turn 3

(I'm in love when we are smokin' that la-la-la-la-la)
My momma always used to say
That two wrongs won't make
Let's go the right way
Just say we gon' be straight
(I'm in love when we are smokin' that la-la-la-la-la)
My momma always used to say
That two wrongs won't make
Let's go the right way
Just tell me we gon' be straight
(I'm in love when we are smokin' that)
My momma always used to say
That two wrongs won't make
Let's go the right way
Just tell me we gon' be straight
(I'm in love when we are smokin' that)
My momma always used to say
That two wrongs won't make
Let's go the right way
Just tell me we gon' be straight
