

# Show Me How To Live

Audioslave

**E5**

1. And with the early dawn

**A5**

Moving right along

**E5**

I couldn't buy an eyeful of sleep

**E5**

And in the aching night

**A5**

Under satellites

**E5**

I was not received

**E5**

Build with stolen parts

**A5**

A telephone in my heart

**E5**

Someone get me a priest

To put my mind to bed

**A5**

This ringing in my head

**E5**

Is this a cure or is this a disease?

**E5 G5 E5**

- R: Nail in my head

**E5 G5 E5**

From my creator

**E5 G5 E5**

You gave me life now

**E5 G5 E5**

Now show me how to live

**E5 G5 E5**

Nail in my hand

**E5 G5 E5**

From my creator

**E5 G5 E5**

You gave me life now

**E5 G5 E5**

Now show me how to live

**E5**

2. And in the after birth

**A5**

On the quiet earth

**E5**

Let the stains remind you

**E5**

You thought you made a man

**A5**

You better think again

**E5**

Before my role defines you

- R: Nail in my head...

**E5** (4x)

**D5** **E5**

\*: And in your waiting hands I will land

**D5** **E5**

And roll out my skin

**D5** **E5**

And in your final hours I will stand

**D5** **E5**

Ready to begin (4x)

R: Nail in my head...
