When I Drown

Listen to me When I say Beautiful time Is fading away When will I wake From this dream? It's a never-ending painful scene

I rise up when I drown The water is thicker I rise up when I drown And swim to the surface

Thinking of you Brings me down How could you pull the plug And replace me with someone else?

I rise up when I drown The water is thicker I rise up when I drown And swim to the surface

Have you ever wondered about me? Did you lose your feelings? Or forget what my name is? Have you ever wondered? Well, have you?

I rise up when I drown The water is thicker I rise up when I drown And swim to the surface I rise up when I drown
