

# You Are The Reason

Audiovision

Far too long  
We're moving on  
We fade away  
What we have done

Far too long  
We're moving on  
We fade away  
What we have done

You are the reason  
My solid ground  
If everything changes  
You are my rock

Your promises I do believe  
I'll walk you path  
Until the end  
I pray to you  
Your Kingdom come  
My armours on  
I'll fight for you
