

I Wonder as I Wander

Audrey Assad

I wonder as I wander out under the sky
How Jesus my Saviour did come for to die
For poor on'ry people like you and like I

I wonder as I wander out under the sky
I wonder as I wander out under the sky

That Jesus my Saviour did come for to die
For poor on'ry people like you and like I

I wonder as I wander out under the sky
I wonder as I wander out under the sky
