

New Every Morning

Audrey Assad

In the beginning, you hovered over the water
You broke an unbroken silence
You spoke light into darkness
And there was light

In the beginning, we were made in your image
And we were naked without shame
Till we fell for the darkness
And there was night

Your mercies are new
Your mercies are new
New every morning
Your mercies are new
Your mercies are new
New every morning

In the beginning, there was the Word and he was God
And the Word was with God
And he dwelt among us
And there was life

Oh, in the beginning, the Lamb of God was broken
And his blood was poured out
For the sins of the world
And there was life

Your mercies are new
Your mercies are new
New every morning
Your mercies are new
Your mercies are new
New every morning
Your mercies are new
Your mercies are new
New every morning
Your mercies are new
Your mercies are new
New every morning

At the cross, at the cross
Where I first saw your light
At the cross, at the cross
I received my sight
At the cross, at the cross
Where you laid down your life

Your mercies are new
Your mercies are new
New every morning
Your mercies are new
Your mercies are new
New every morning
Your mercies are new
Your mercies are new
New every morning
Your mercies are new

Your mercies are new
New every morning
