

You've drawn so close  
That it's hard to see you  
And you speak so softly  
That it's hard to hear you  
And I guess that's what I get  
For inviting you in  
Because you took me at my word  
And now I know

Faith is not a fire  
As much as it's a glow  
A quiet lovely burning  
Underneath the snow  
And it's not too much  
It's just enough to get me home  
Cause love moves slow  
Love moves slow

You run so deep  
That it's hard to miss you  
And you come so near  
That it's hard to feel you  
Oh, and I guess that's how it is  
When I let you move  
Because you take me at my word  
Oh, and now I know

That faith is not a fire  
As much as it's a glow  
A steady humble lamplight  
In the window  
And it's not too much  
It's just enough to get me home  
'Cause love moves slow  
Love moves slow

I heard that faith moves mountains  
I know it moves my feet  
To follow you  
And maybe I'm a mountain  
Because it's moving me  
To follow you

My faith is not a fire  
As much as it's a glow  
A little burning ember  
In my weary soul  
And it's not too much  
It's just enough to get me home  
Because your love moves slow  
Yeah, your love moves slow

So I move slow  
Because you move slow  
Love moves slow  
Let's move slow
