

Spirit Of The Living God

Audrey Assad

O Spirit of the living God, thou Light and Fire Divine
Descend upon Thy Church once more and make it truly Thine
Fill it with love and joy and power, with righteousness and peace
Till Christ shall dwell in human hearts, and sin and sorrow cease.

Blow, wind of God, with wisdom blow until our minds are free
From mists of error, clouds of doubt, which blind our eyes to Thee
Burn, winged fire, inspire our lips with flaming love and zeal
To preach to all Thy great good news, God's glorious commonwealth.

So shall we know the power of Christ, who came this world to save
So shall we rise with Him to life which soars beyond the grave
And earth shall win true holiness which makes Thy children whole
Till, perfected by Thee, we reach creation's glorious goal
