

The Middle

Audrey Assad

Hey
Don't write yourself off yet
It's only in your head you feel left out
Or looked down on
Just try your best
Try everything you can
Don't you worry what they tell themselves
When you're away

It just takes some time
Little girl, you're in the middle of the ride
Everything, everything will be just fine
Everything, everything will be all right, all right

Hey
You know they're all the same
You know you're doing better on your own
So don't buy in
Live right now
Just be yourself
Doesn't matter if it's good enough
For someone else

It just takes some time
Little girl, you're in the middle of the ride
Everything, everything will be just fine
Everything, everything will be all right, all right

Just takes some time
Little girl, you're in the middle of the ride
Everything, everything will be just fine
Everything, everything will be all right, all right

Just do your best
Do everything you can
Don't you worry what their bitter hearts
Are gonna say

It just takes some time
You're in the middle of the ride
Everything will be just fine, you know
It just takes some time
Little girl, you're in the middle of the ride
Everything, everything will be just fine
Everything, everything will be all right, all right

It just takes some time
You're in the middle of the ride
Everything, everything will be just fine
Everything, everything will be all right, all right
