

Whipped Cream

Audrey Assad

I've been eatin' whipped cream, havin' vivid dreams
Of your face and through people on TV screens
You've been everywhere
And I wish I didn't care
Yeah, you've been everywhere
And I wish, wish I didn't care
I wish I didn't

I've been thinkin' of you
I've been keepin' you
Alignin' my soul
With the devil that it chose
I've been thinkin' this
Thinkin' of some kids
How I'm agin', degradin'
When I give it like this
I've been cryin' at night
Holdin' bullet tight
Hopin' I meet someone different
But it's true that I don't

I've been eatin' whipped cream, havin' vivid dreams
Of your face and through people on TV screens
You've been everywhere
Oh, and I wish I didn't care
Yeah, you've been everywhere
And I wish, I wish I didn't care
I wish I didn't

I've been in my feels, I've been stackin' bills
Online shoppin' and robbin' my chance of survivin'
I'm late on rent, what was I thinkin'?
I'm gonna go to the gym, squat real low for a man
'Round you it revolves, I can't shake it off
Unrequited, admit it, you were never mine at all
Never mine at all

I've been dreamin'
Havin' vivid dreams
You've been everywhere
And I wish I didn't care
Yeah you've been everywhere
And I wish, I wish I didn't care
I wish I didn't

Your deceivin', receivin', non-givin' headass
Your deceivin', receivin', non-givin' headass

I've been eatin' whipped cream, havin' vivid dreams
Of your face and through people on TV screens
You've been everywhere
And I wish I didn't care
Yeah, you've been everywhere
And I wish, I wish I didn't
