

## Excuses

Audrey Mika

When you ask where I've been  
I said that I'm just sleepin' in, yeah  
'Cause I just wanted to talk to you  
Didn't know where to begin  
Sorry, one sec

'Cause you wanna know what I'm thinkin'  
But I don't really know what I'm sayin'  
With you no I don't have to fake it  
Don't wanna mess this up, don't wanna open up

All my excuses are useless, you see right through  
Why do I do this? I'm new to this, it's déjà vu  
I'd open up but I don't trust, yeah, I want to  
Cut the excuses, 'cause the truth is it's you

Na-na, na-na-na, na-na  
Cut the excuses  
Na-na, na-na-na, na-na  
Cut the excuses  
Na-na, na-na-na, na-na  
Ooh

I'm always shuttin' you out, yeah  
He send me a comin' around (Sorry)  
'Cause every time I get close  
Somebody's lettin' me down  
Oh, I don't like that

Maybe I should've mentioned  
That I have never done this before  
I only have good intentions  
Don't wanna mess this up, I wanna open up

'Cause you wanna know what I'm thinkin'  
But I don't really know what I'm sayin'  
With you no I don't have to fake it  
Don't wanna mess this up, don't wanna open up

All my excuses are useless, you see right through  
Why do I do this? I'm new to this, it's déjà vu  
I'd open up but I don't trust, yeah, I want to  
Cut the excuses, 'cause the truth is it's you

Na-na, na-na-na, na-na  
Cut the excuses  
Na-na, na-na-na, na-na  
Cut the excuses  
Na-na, na-na-na, na-na  
Ooh

Oh, oh-oh, oh-oh  
Oh, oh-oh, oh-oh  
Oh, oh-oh, oh-oh  
Oh, oh-oh, oh-oh  
Oh, oh-oh, oh-oh  
All my excuses, déjà vu

I'd open up but I want to  
Cut the excuses
