**Audrey Mika**

Rainy, cloudy, lately  
Makes me wanna sleep in  
Empty, knowin' maybe  
I could change the season

(Got me like) Ooh, what do we gotta do?  
I could cry myself into another puddle of blue  
(Got me like) Ooh, I know what to do  
So I get myself out of bed and put on my shoes

Like woah  
I'm feelin' like, yo  
I kinda gotta go  
And baby, I keep it light and loose  
Like woah  
I'm feelin' like, yo  
I kinda gotta go  
And baby, I'm tryna keep it cool, yeah, yeah

Woo  
I'ma breathe out and I breathe in (Oh)  
Let the sun soak into my skin  
Reflectin' hella bright on my tooth gems  
Got a new friend, her name is Ika  
It's nice to meet you  
I like the way that you wear your clothes and your sneakers  
Hey, Little Mika, I wanna be ya  
I promise I got your back when no believe ya

(They've got me like; la-la-la) Ooh, what do we gotta do?

(Got me like; ooh) Ooh, I know what to do  
So I get myself out of bed and put on my shoes  
(Put on my shoes)
