

No Problem

Audrey Mika

Wanna take you on a story, on a story
Wanna see you callin' the shots
Baby, you just take my breath away
Somethin' that just takes my breath away
I walked down the street completely in a mess
But you held the door right open
You didn't have to wait, I'm perfectly okay
He said, "After you do, I'm in love"
I didn't have a chance 'cause you were at the door
I didn't have a chance
My mind is broken but I can never tell
I can never tell
You can call me up anytime you like
It's no problem, baby, baby
How do you do? I think I like you
Baby, it's just a mistake
Promise baby, take me maybe
Take me up, mind your business
Not someone you think
(On a story, on a story, yeah)
On a story
Da, da-da-da-da-da-da-da-da, yeah
On a story

Good night, Oakland!
It's been real, it really has
'Kay bye
