

Red Gatorade

Audrey Mika

Red Gatorade
Close my eyes and guess the flavors
I let you play all your games
'Cause you're a player
I let you lay on my chest
And talk about her
But that don't change
That my heart keeps beating louder

Straight to my face
And it don't feel right
This could be a thing
But you waste my time
Don't want to be a shoulder
Listen while you cry
'Cause I don't wanna know

Don't wanna hear 'bout where you were last night
But you never even try to hide it
I like it better when you leave me blind
Out of sight and out of mind
I should have left
Right when you said it
Felt like a fool 'cause I couldn't get it

Don't wanna hear 'bout where you were last night
Out of sight and out my mind

Out of sight and out my mind
Out of sight and out my mind

And I don't even blame you
'Cause the truth is that I'm falling apart
And every second I sit here and listen
I'm breaking my own heart

Straight to my face
And it don't feel right
This could be a thing
But you waste my time
Don't want to be a shoulder
Listen while you cry
'Cause I don't wanna know

Don't wanna hear 'bout where you were last night
But you never even try to hide it
I like it better when you leave me blind
Out of sight and out of mind
I should have left
Right when you said it
Felt like a fool 'cause I couldn't get it
Don't wanna hear 'bout where you were last night
Out of sight and out my mind

I'm out of my mind
I just want you to want me
I don't mind just lie

I'm sick of the frontin'
You tell me the truth
And you let me down
I just don't know what the game is now
Just lie, just lie

Don't wanna hear about where you were last night
But you don't even try to hide it
I like it better when you leave me
Out of sight and out of mind
I should have left
Right when you said it
There like a fool 'cause I couldn't get it
Don't wanna hear 'bout where you were last night
Out of sight and out of mind

Out of sight, out of mind
Out of sight, out of mind

Straight to my face and it don't feel right
This could be a thing
But you waste my time
Don't want to be a shoulder
Listen while you cry
I don't wanna know
