Hello (No)

You're saying like, "Don't let go," you (Yeah)

You said we were hanging out, but

I feel like I've touched the ground so

Hello (Hello)

Hello (Hello)

Hello (You say hello, yeah)

Hello and goodbye now, goodbye now

So, why you gotta be like that?

Why you gotta be like that? (Yeah, uh)

Why you gotta be like that?

Why you gotta be like that? (Gotta be like that)

I just set the record, baby, you are not the one (Not the one)

Tell the other girls I'm not an added-in plus one (Yeah)

Why did you spread all those rumors?

Trying to match all conclusions

Don't sell yourself off illusions, illusions, illusions (Yeah, yeah)

I just think you're crazy if you think I'm into you (Woo, woo)

Maybe if you're smart enough to think it might be true

So, why you gotta be like that?

Why you gotta be like that? (Yeah, uh)

Why you gotta be like that?

Why you gotta be like that? (Gotta be like that)

One step, two step for another

3 step, did you keep it undercover?

Yeah, you're so difficult

Ah-ah-ah-ah (Stop calling me)

Ah-ah-ah-ah, ah-ah-ah-ah, ah (Please)

Ah-ah-ah-ah (Yeah)

Ah-ah-ah-ah (Uh huh), ah-ah-ah-ah, ah

One step, one step for another

Three step, did you keep it undercover?

Yeah, ay

You're one step, two step for another

Three step, did you keep it undercover?

Yeah, you're so difficult
