Cellulite

Audrey Nuna

Scratching the rims on my Jetta
Swallow my ego, I'm fed up
I wanna link, uh-huh
I wanna link up
I wanna link up
I wanna link, uh-huh
I wanna link up
I wanna link, uh-huh

Surfin' too high, I'm off the pedialyte
Leave you behind, I cut the cellulite
Lipo, too fly, I cut the cellulite
I cut the cellulite, I cut the cellulite

Tell you what I want, but you snooze in the mean time
Tryna get lean, fuck this, fuck tea time
Gave you that good Amaretto
Now I'm tryna get free like Coretta
But you talk to me like you Leno
Gonna get cold feet in this weather

Scratching the rims on my Jetta
Swallow my ego, I'm fed up
I wanna link, uh-huh
I wanna link up
I wanna link up
I wanna link, uh-huh
I wanna link up
I wanna link, uh-huh

Surfin' too high, I'm off the pedialyte
Leave you behind, I cut the cellulite
Lipo, too fly, I cut the cellulite
I cut the cellulite, I cut the cellulite

But you sleep
Tryna wake you up, but why you sleep?
Why you sleep, baby?
Oh my, why they sleep on you?
Gave you that good Amaretto
And now that I'm free like Coretta
Don't talk to me, you ain't Leno
Gonna get cold feet in this weather

Scratching the rims on my Jetta
Swallow my ego, I'm fed up
I wanna link, uh-huh
I wanna link up
I wanna link up
I wanna link, uh-huh
I wanna link up
I wanna link, uh-huh

Surfin' too high, I'm off the pedialyte
Leave you behind, I cut the cellulite
Lipo, too fly, I cut the cellulite
I cut the cellulite, I cut the cellulite

Cut the cellulite, cut the cellulite
I cut the cellulite, I cut the cellulite
Lipo, too fly, I cut the cellulite
I cut the cellulite, I cut the-

I wanna link, uh-huh, I wanna link up
Behind
I wanna link, uh-huh, I wanna link up
Behind
I wanna link, uh-huh, I wanna link up
Behind
I wanna link, uh-huh, I wanna link up
I wanna link, uh-huh, I wanna link up
Behind
I wanna link, uh-huh, I wanna link up
Behind
I wanna link, uh-huh, I wanna link up
Behind
I wanna link, uh-huh, I wanna link up
Cut the cellulite, cut the cellulite
I wanna link, uh-huh, I wanna link up
I wanna link, uh-huh, I wanna link up
