

Get Luv

Audrey Nuna

Shawty don't get no luv

'Cause shawty don't get no luv
Shawty don't get no luv
Shawty don't get no luv
Shawty don't get no luv
Shawty don't get no luv
Get luv, luv
Get luv, luv

Shining on 'em, but no matrimony
Got the activision, suddenly I'm tony
And you wanna know me
But you're wretched homie, no
Acting like you know me now
Like you know me now
Cotton candy but it got no flavor
Celebrating but I never ask you favors
No you got me lonely
21 peronis
Acting like you know me now
Brand new movie out

But shawty don't get no luv
Shawty don't get no luv
Shawty don't get no luv
Shawty don't get no luv
Get luv, luv
Get luv, luv
Get luv, luv

Dippin like squirtle
Watching me curdle
So beat it like Murda
Bop-it commercial
Back then I just bought it
Now I COP that
Dummy, like fake Chanel yeah
Pleather and everythang
Still keep your name in the toast
You don't wanna talk
Never knew why no

Shawty don't...
Shawty don't get no luv
Shawty don't get no luv
Shawty don't get no luv
Get luv, luv
Get luv, luv

Shawty don't get no luv
Shawty don't get no luv
Shawty don't get no luv
Shawty don't get no luv
Shawty don't get no luv
Get luv, luv
Get luv, luv

Get luv, luv
Get luv, luv
