

Jitterbug

Audrey Nuna

Spit venomous, take a pic, got like twenty clicks, I'm hip
Fuck a clique, naked fists, I'm already rich
I'm already big, I'm already in

So call my jitterbug, I might just have to flex
On you, flex on you, flex on you, flex on you, flex on you, flex on you, flex
Throw some CZ on that neck, I'm the best, that's a stretch, that's a stretch
I'm the best, I'm the best, I'm the best, I'm the best, I'm the best

Throwing out keys to your beamer, found my steez in Nolita
Took my soul out the freezer
Aye, aye, I got this shit on Mozilla
Got my head out the coupe like

What the fuck you want from me, baby?
I been at the show, going crazy
JNCO blue jeans in the basement
Hundred weird kids going apeshit

And we might just have to flex
On you, flex on you, flex on you, flex on you, flex on you, flex on you, flex
Throw some CZ on that neck, I'm the best, that's a stretch, that's a stretch
I'm the best, I'm the best, I'm the best, I'm the best, I'm the best

Hold up, shit, sit down
I left my home for the luau, chihuahuas sniffing for me now
Aye, aye, hold up, shit, sit down
Got my head out the coupe like

What the fuck you want from me, baby?
I been at the show, going crazy
JNCO blue jeans in the basement
Hundred weird kids going apeshit

So call my jitterbug, I might just have to flex
On you, flex on you, flex on you, flex on you, flex on you, flex on you, flex
Throw some CZ on that neck, I'm the best, that's a stretch, that's a stretch
I'm the best, I'm the best, I'm the best, I'm the best, I'm the best

'Cause that's how I do it, baby
Baby, that's how I do it
Baby, that's how I do it
Baby, baby, baby, that's how I do it, do it
That's, that's how I do it, do it
That's how I do it, that's how I do it, babe
That's just how I do it, that's just how I do it

That's how I do it, that's how I do it, babe
That's just how I, that's just how I do it
Baby, baby, baby, that's how I do it, do it
