Pop, lock it, so robotic
Curly fry up in my chest
Got soft skin, hard feelings
Give a damn, then give a reason
Pop zit, top billin'
Been a villain, been appealin'
People-pleasin', daddy-lovin' muhfucka

Alright, okay, I did it my way
I did it, andale, and I'll do it to the grave
Couple 'cedes for the babies
Get it, baby, baby

Pop, lock, and drop it, pop, lock, and drop it
Pop, lock, and drop it, pop, lock, and drop it
Pop, lock, and drop it, pop, lock, and drop it (Couple 'cedes f
or the babies)
Pop, lock, and drop it, pop, lock, and drop it (Get it, baby, b
aby)

Hits on my list, blow kiss, kiss, might catch sentiment
Got A on my knit, if you test me, swallow cinnamon
Plus the pencil Armageddon ('geddon)
If you read it, you indebted ('debted)
So tell Alexa FICO check it
And if you my tenant, fix your credit
