

# Long Year

Audrey Nuna

Sleeping by the sauna  
Skip the marijuana  
Tell me that you wanna  
Then tell me that she offered  
Why you such a talker?  
You're just like my father  
Fresher than ricotta  
Yes I had to tell you that

It's been a long  
It's been a long  
It's been a long year  
It's been a long year  
How did I stay here?  
It's been a long year

And why my daddy never call?  
Why my sister never call?  
Why I'm sleeping all alone?  
Why I'm sleeping by the phone?

Why I'm seeping at the bones?  
You should tell me what she wrote  
She would never get your joke  
Let me tell you that

It's been a long  
It's been a long  
It's been a long year  
It's been a long year  
Why did I stay here?

Why did I stay here?  
Why did I stay?  
Why did I stay here?

It's been a long  
It's been a long year  
How did I stay here?

Why did I stay here?  
It's been a long year

It's been a long year  
It's been a long year
