

Broke my sister's heart  
Drove my mother's car  
Into the ground (Into the ground, into the ground)  
Drove my friends away  
Pray my mother's safe  
On the Eastside (Eastside)  
Where niggas die

They said I'll never make it to twenty-one (Twenty-one)  
Now I'm twenty-something  
And I'm alive, I'm alive  
They said I'll lose myself, with no one safe  
Play with the law, you catch a case  
But I'm alive, I'm alive

Slammin' dominoes  
For fried chicken with Ke  
Messy bitches on me  
They'd pay to see me fall  
I'm just a stones throw  
Not far away  
You ever need me, just call me  
I'll pick up the phone  
I'm probably home

They said I wouldn't make it to twenty-one (Twenty-one)  
Now I'm twenty-something  
And I'm alive, but DJ died (Oh, no)

But momma on the North side of Long Beach  
My daddy in Compton  
We just made up  
Was it fate, love [?]  
The sky, come alive (Alive, alive, alive)  
In the night, in the night  
The sky, come alive  
Come alive, come alive

We ain't scared of you, we ain't scared of you  
We ain't scared of you, we ain't scared of you  
We ain't scared of you, we ain't scared of you  
We ain't scared of you, we ain't scared of you  
We ain't scared of you, we ain't scared of you  
We ain't scared of you, we ain't scared of you

All this pain I pour up in the litter  
Keep a gun 'cause I know niggas plottin'

They told me to focus, I lost it  
All of these drugs, I'm off it
