

Don't get caught in traffic
Speeding through traffic

West side, east side
West side, east side
West side, east side
West side, east side

Damn, lips glossy on ten
Baby trippin', leave yo' friends downstairs tonight
Brown eyes, thick thighs, camera running in the corner
Friends watching like it's televised
Don't wanna leave you waiting, I'm bending corners in a Cutlass
We fuckin' like we sayin' goodbye
Ain't a damn thing changed, put the diamonds on the ring
What you doin', girl? Cut out the lights

Now I'm in a Cutlass with my cousins
Head turned 'cause you out here just shining
Bust a U-turn in the far lane
Drop the .40 'cause that ass got a nigga wildin'

In the Cutlass with my cousins
Head turned 'cause you out here just shining
Bust a U-turn in the far lane
Drop the .40 'cause that ass got a nigga wildin'

Yeah

Close the door, give shift, watch the horse on the wheel, 911 it
High levels got us way up in the sky
Where we represent, ya kiss can make a devil miss
Said she never made love but she never met me
Double M backed up, plenty room in backseat
Fuckin' up your makeup when I dive in all day
You the one that brings peace
Tell your friends move, lady

Fuck that old shit
The distractions and your exes are some nuisance
Movin' to new shit
Hanging with them peons
Now never, we too lit
The bullshit, we groovin'

Look at your dark skin, nap hair, I love it
Look at your stretch marks, oh, you're still perfect
Mommy can stop time, my God, through music
Lose it, we groovin'

Now I'm in a Cutlass with my cousins
Head turned 'cause you out here just shining
Bust a U-turn in the far lane
Drop the .40 'cause that ass got a nigga wildin'

In the Cutlass with my cousins
Head turned 'cause you out here just shining

Bust a U-turn in the far lane
Drop the .40 'cause that ass got a nigga wildin'

West side, east side
West side, east side
West side, east side
West side, east side...

Now I'm in a Cutlass with my cousins
Head turned 'cause you out here just shining
Bust a U-turn in the far lane
Drop the .40 'cause that ass got a nigga wildin'

In the Cutlass with my cousins
Head turned 'cause you out here just shining
Bust a U-turn in the far lane
Drop the .40 'cause that ass got a nigga wildin'
