

Missed Calls

AUGUST 08

Where you been!
Pick up your phone!
Where you been!

So many people turn into ashes
Lost in the symbols
All across the television
While you're waiting for it
The end of the word like a cigarette
I don't know where my thoughts went
I guess they got up and left without me

That's why
I can't answer the phone

Vision sharper than a knife fight
Sparrows in the trees are lucid
Amazon shorty with the um um waistline
Tried to throw a spell when she hit me with that good shit
I was high she was loose and I don't even smoke
The power of the pussy
The power of the pussy
She was drunk off X, I was low off the jet
The power of the pussy
The power of the pussy
(That's why I don't answer calls nigga)

I can't answer the phone
I can't answer the phone
Ummm ummm ahhh dum dum umm
Ahhh dum dum yaya yaya

Ummm ummm ahhh dum dum umm
Ahhh dum dum yaya yaya
