

## Sleepless Nights

AUGUST 08

Remind me again  
Why we talk about those things like we did?  
Like why the fuck did we always argue?  
For some reason I just think that we chose to argue cuz we love  
d each other?  
Or that we really cared or maybe we just didn't know how to lov  
e each other the way we were supposed to  
And I thought that was due to confusion  
If you liked me or did you like her?  
But, prom was cool  
I was like the first guy you ever took serious  
I was that guy who treated you to Chipotle  
Like when your phone broke I felt obligated to help you try and  
fix it  
When prom came I bought your dress  
Like was it not serious like I thought it was?  
NIGGAS SHUT ALL THAT EMOTIONAL SHIT UP FUCK!
