

# Suburbia

AUGUST 08

Big house with koi ponds  
Razor with lights on it  
Mothers with new perms  
New friends got credit cards  
Bape STAs, Evisu  
Drop top two car garages  
Family with both parents  
Watching Kardashians  
Dinner and boxed wine

In suburbia  
Every house the same  
In suburbia  
Where they are their pain  
In suburbia  
Numb like novocaine  
In suburbia  
Poor but not ashamed, ashamed

Small house with pit bull  
Lights off burn candles  
Lost house in divorce  
Mama got new man  
In trouble with my friends  
Skip school detention  
Small crime probation  
Watching the ceiling  
Mad Dog head spinning

In suburbia  
Every house the same  
In suburbia  
Where they are their pain  
In suburbia  
Numb like novocaine  
In suburbia  
Poor but not ashamed, ashamed  
Poor but not ashamed, ashamed  
Poor but not ashamed, ashamed  
Poor but not ashamed, ashamed
