

# Theatrical Hood Nigga

AUGUST 08

I'm trying to remember if it made sense  
I saw these people in all kinds of different workwear  
And Chuck Taylor's, and ski masks  
It was something like I've never seen before  
The odd thing is that all the people around me  
Maintain this camaraderie that I've never seen amongst men before  
Are they criminals or are they heroes?  
I can't really tell  
Good guys and bad guys kinda look the same from a distance  
Especially when their faces are covered up  
And there was one person in particular that they called Emotional Cuh  
And HE WAS A SAD MUTHAFUCKER!

Eyy yerrr!  
Oh oh oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh oh oh oh oh oh  
Yah yah yah yah yah yah yah  
Yah yah yah yah yahhhh  
Yah yah yah yah yah yah yah yaaahhh!

Ayye Reggie! Ayyye Reggie!  
On crip you better answer my call nigga!
