

Towards The Moon

AUGUST 08

Saw the sunset twice tonight
Am I seeing double?
There's no firewood to burn
Guess we're in trouble
As we sail

Towards the moon
(Towards the moon)
Towards the moon
Towards the moon

Gave your heart a break
Now I don't wanna be a loner
Come on, come on home
Give your mind a rest
Come on home, come on home

Towards the moon
(Towards the moon)
Towards the moon
Towards the moon
