

Y'all Niggas

AUGUST 08

Y'all niggas think shit is sweet
Y'all niggas really be out here in love and shit
I mean, I'm happy for y'all, don't get me wrong
I want it too
Y'all niggas have this idea that we're supposed to be in love r
ight now
Getting on with our lives, but how?
When we hardly even know ourselves
When were niggas going to tell us that mid twenties was all abo
ut getting to truly know yourself all over again
Getting to know yourself again even after figuring out that eve
ryone will hurt you at some point in this lifetime
They never warned us about the feeling of constantly standing i
n the rain alone
Having to constantly remind myself that I cannot control everyt
hing
Struggling to silence my mind and find release 'cause at any mo
ment I might explode
Y'all niggas don't know what it's like to have an inexhaustible
heart
My shit is unable to be used up because my heart exists in abun
dance
It's hard to be myself and live behind that
I just wonder sometimes what it is that I'm doing wrong
Where's my love?
