

Romano

It's hard for me to fall in love  
So I try to keep it and turn it up with you  
And take the time to get to know  
That's why my feelings start to run from you  
Why would I waste your, waste your time  
When I know that I got issues?  
Ain't gotta be more than words, don't lie, don't lie  
Don't need no more issues

And I can't flex like I been feelin' you  
Even when you're not at your best, I see the real you  
Even when they don't understand, I know it's gon' be you  
And I swear when you gone, I always need you

I just needed me some time to see it was for real  
And I had to make sure that it was for real  
You will always be down if it is for real  
Ain't no later, it's now, because it's for real  
I wanna know if it's real, yeah  
I wanna know if it's real, yeah (Real, real)  
I wanna know if it's real, ooh yeah  
I wanna know if it's real, yeah, yeah, yeah, yeah  
I wanna know

I gotta blame you for my addiction (My addiction)  
I can't help myself, got me sinnin', I'm sinnin' (Sinnin', sinnin')  
You're the only one that got my attention (Attention)  
You showed me real, made me pay  
Attention to you (Attention to you)  
I listen to you (I listen to you)  
I risk it for you (I risk it for you)  
Don't even gotta think it through, I (Think it through, I)  
My little shorty (My little shorty)  
My little shorty (My little shorty)  
You already know

I can't flex like I been feelin' you  
Even when you're not at your best, I see the real you  
Even they don't understand, I know it's gon' be you  
And I swear when you gone, I always need you

I just needed me some time to see it was for real  
And I had to make sure that it was for real  
You will always be down if it is for real  
Ain't no later, it's now, because it's for real  
I wanna know if it's real, yeah  
I wanna know if it's real, yeah (Real, real)  
I wanna know if it's real, ooh yeah  
I wanna know if it's real, yeah, yeah, yeah, yeah  
I wanna know

I gotta blame you for my addiction
