

# Broken Rollie

August Alsina

Hahaha, I love baby

Baby, why do you do this?  
What do you learn that put you through this?  
Never know what you got 'til it's gone but he's clueless  
And I don't know why, why you do it  
Why you do it  
You need to stop, you need to leave  
You need to go, you need to breathe  
You need me  
It ain't your fault, you got a heart, it's torn apart  
I paid the cost, it ain't free, yeah  
I pay the price for you, ayy  
Put down my life for you, ayy  
You'll be my wifey one day  
Go 'head and throw the bouquet  
Okay, okay, okay, okay

Why do you let 'em throw your love away?  
I wish you was standin' in my place, yeah  
So you can see all the things I see

But you don't notice, yeah  
You don't notice me  
Broken Rollie  
Don't got time to waste  
I can see it clear now, written on your face  
You're a broken Rollie  
You got time to waste

Broken Rollie  
Broken Rollie  
Broken Rollie  
Broken  
Broken Rollie  
Broken Rollie  
Broken Rollie  
Broken Rollie

Shinin' like a buss down Rollie  
So bright, couldn't even focus  
Body shape like a Coca-Cola  
But your man actin' like he don't know it  
I'ma make it wet like a tsunami  
I'ma make it shake like I'm Ricky Bobby  
You lovin' a nigga that don't deserve you  
You be stuck with a nigga, don't know your worth it  
Tell me why you do this? (Why you do this?)  
Why you settle for it? Way you take your love and abusin' it  
You look way too good right now for the confusion  
I think you fell in you love with the wrong type nigga  
Shoulda came home with a real type nigga  
Then everything would've been so, so different  
Oh yeah, yeah, yeah

Why do you let 'em throw your love away?  
I wish you was standin' in my place, yeah

So you can see all the things I see

But you don't notice, yeah

You don't notice me

Broken Rollie (Rollie, yeah)

Don't got time to waste (Oh, hmm)

I can see it clear now, written on your face (Face)

You're a broken Rollie

You got time to waste

Broken Rollie

Broken Rollie

Broken Rollie

Broken Rollie

Broken Rollie

Broken Rollie

Broken Rollie

Broken Rollie

Yeah, yeah, ooh, no, woah
