

## E.T.

August Alsina

You're so hypnotising, could you be the devil? Could you be an angel?  
Your touch magnetising, feels like I am floating, leaves my body glowing  
They say be afraid, you're not like the others, futuristic lover  
Different DNA, they don't understand you

You're from a whole other world, a different dimension  
You open my eyes and I'm ready to go, lead me into the light

Kiss me, kiss me  
Infect me with your love and fill me with your poison  
Take me, take me  
Wanna be a victim, ready for abduction  
Girl oh, you're an alien  
Your touch so foreign  
It's supernatural  
Extraterrestrial

You're so supersonic, wanna feel your powers, stun me with your lasers  
Your kiss is cosmic, every move is magic

You're from a whole other world, a different dimension  
You open my eyes and I'm ready to go, lead me into the light, oh

Kiss me, kiss me  
Infect me with your love and fill me with your poison  
Take me, take me  
Wanna be a victim, ready for abduction  
Girl, you're an alien  
Your touch so foreign  
It's supernatural  
Extraterrestrial, extraterrestrial
