

For You

August Alsina

Oh, oh-oh. oh, oh-oh
Oh, oh-yeah
Oh, oh-oh. oh, oh-oh
Oh, oh-yeah, oh, oh-oh

Normally I wouldn't do this, but tonight I'm feeling good
So I'm thinking 'bout to give you something special if you would allow me
To give you what you need
So baby, let me set the mood
No need for gratitude
I know you think 'cause I don't talk about it, I don't be about it
And I'm a fighter not a lover
But when I get you in these covers
You'll see, exactly what I mean
When I'm telling you tonight is all for you, girl, not for me

You tell me you need something you can make love to
Here's another level we can take it to
Don't wanna hear you saying that I'm playing, baby, 'cause you got is so wrong
Just give me a second, have it feeling like a love song

I know, I know, I know, I know whatchu be looking for
Put your mind at rest, girl, you ain't gotta say no more
This song's for you (You, girl)
This song's for you (You, babe)
This song's for you (You, girl)
This song's for you (You, babe)
This song's for you (You, girl)
This song's for you (You, babe)
This song's for you (You, girl)
This song's for you (You, babe)
You-you-you
For you, baby, for you, baby, for you, baby
This song's for you
For you, baby, for you baby, for you, baby
This song's for you
For you, baby, for you, baby, for you, baby
This song's for you

This song's for you
Just in case you're second guessing
Baby, I just got one question
Who can fuck you like me? (Nobody)
And who can give you what you need? (Nobody, baby)
So won't you come and whisper in my ear and tell me, "Boy get it"?
'Cause your body's an ocean and I wanna go swimming with you
I wanna take you to the moon
Gotta give you the satisfaction
Love how you been reacting
Thinking 'bout to when you told me...

You tell me you need something you can make love to (Make love)
Here's another level we can take it to
Don't wanna hear you saying that I'm playing, baby, 'cause you got is so wrong
Just give me a second, have it feeling like a love song

I know, I know, I know, I know whatchu be looking for (Baby, yeah, yeah)
Put your mind at rest, girl, you ain't gotta say no more (You ain't gotta say no more)
This song's for you (You, girl, you, girl)
This song's for you (You, babe, oh, baby)
This song's for you (You, girl, you, oh, no)
This song's for you (You, babe, oh, girl)
This song's for you (You, girl, oh-woah)
This song's for you (You, babe)
This song's for you (You, girl, yeah-yeah)
This song's for you (You, babe, yeah, baby)
You-you-you
For you, baby, for you, baby, for you, baby
This song's for you
For you, baby, for you baby, for you, baby
This song's for you
For you, baby, for you, baby, for you, baby
This song's for you
For you, baby, for you, baby, for you, baby
All for you, yeah, yeah
This song's for you
