

Numb

August Alsina

(Verse)

Gold all on my neck
Bavy nape on my back
Even though I'm lookin from the front
I can still see that back
I got racks on racks,
No woman, IYC
I'm hifey like keep the sneak
Please don't creep by me, don't try me
I be on freak, geeked off that brain I receive
All this fly sh*t, I bought caine with receipts
This ain't no game, don't be playin with me
All these bad bitches be stayin with me
Beat the beat up like I'm Roy in that ring
Enough of me rappin, gon let that boy say

I had one, two, three too many
I'm fucked up, four chicks with me
I'm loud, took about 5 shots
6 bottles I just copped
Twisted, turnt up, 24/7, I smoke bad
Bitches I'm getting they know I
Hit em and quit em
And go past what they came here for

Baby can I see you make yo a*s drop?
I'mma let the Rose bottles pop
I'mma sip this Roc, baby don't stop
'Cus yo body on fire, you too hot

(Pre-Hook)

I can't feel my face
I'm so numb
I'm so wasted
So dumb
I'm sh*t faced it
Just in case I don't make it

(Hook)

Take my drink, nigga I'm buzzin
Take my trees, nigga I'm down
Take my keys, nigga it's nothing
One of these chicks is taking me home
Take my drink, nigga I'm buzzin
Take my trees, nigga I'm down
Take my keys, nigga it's nothing
One of these chicks is taking me home

(Verse)

That little red bow said she's taking me home
Tight ass red said she coming along
Love in the morning, someone f*ckin me strong
I'mma beat er to sleep then I'm gone in the morning
Hold up! I tell a b*tch roll up
Before I gotta roll out all I do is turn er
Turn down foot wet, need another drink
If we gonna pull up money and gold but

So you know I gotta throw up the faces
So that they know that I'm ready
To get em poppin and droppin the party never be stopping
'Cus I be keepin in my cool, you know these bitches be choosin
'Cus now they see that I'm winnin like I'm allergic to losin and I

(Pre-Hook)
