Ready

August Alsina

I'll be ready (I'll be ready)

Girl you look so fuckin' good
Stop actin' like you don't want me to notice
I pretend like I don't notice but I do
'Cause it's hard for me to focus on anyone but you
And you smell so nice
Intoxicated like somethin' I ate
All that I'm thinkin' is bon appétit
Can I get a bite of your love?
I'll let you know when I've had enough

Girl you know you got it (You know you got it)
No doubt about it (No doubt about it)
When you let me get it
I'ma try to get off deep in that body
And you ain't gon' stop me (And you ain't gon' stop me)
'Til your pussy throbbin' ('Til your pussy throbbin')
Tryna have your legs shakin'
And your body vibratin'

Lil' baby
Any time, any place (Yeah)
Anywhere, any way (Yeah)
In the back of the car (Oh, oh)
In the air, in the plane (Yeah, yeah)
On the yard, in the bush (Yeah, yeah)
Outside, in the open (Yeah)
Any city, any state (Oh yeah)
Girl I won't hesitate (No way)

I'll be ready (I'll be, I'll be ready)
I'll be ready for you, babe (I'll be, I'll be ready)
I'll be ready (I'll be, I'll be ready)
I'll be ready for you, babe (I'll be, I'll be ready)
I'll be ready (I'll be, I'll be ready)
I'll be ready for you, babe (I'll be, I'll be ready)
I'll be ready (I'll be, I'll be ready)
I'll be ready

But we can get it in right now (Right now)
Even over there like now (Like now)
Pull your panties over to the side (To the side)
Let a young nigga find his drive
Ride on the surfboard wave
Keep it up 'til you find your wave (Your wave)
There you go, baby don't fall off (Fall off)
Not until a nigga get you off (You off)
Feel somethin' good
Intoxicated like somethin' I ate
All that I'm thinkin' is bon appétit
Can I get a bite of your love?
I'll let you know when I've had enough

Girl you know you got it (You know you got it)
