

Secret

August Alsina

Oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah
Uh, uh, uh

It ain't no secret that I'm different since you ain't around me, that's you,
you, you
Promise I won't tell nobody how you got this side of me shining through
They ain't gotta know what we do
You got the magic and I gotta have it
Just for me and you
Just for me and you

I couldn't hide if I tried it, girl, you got shining as bright as the sun
And I'd be lying if I didn't say that I'm thinking you might be the one
In case you didn't know, girl, I'm in it
I knew what it was from the beginning
And when I say don't want nobody else but you, hope you know that I mean it

Baby, I won't tell if you won't tell (I won't tell, girl, if you won't tell)
Even though it's hard to stop myself from standing on a roof saying I'm in l
ove with you
Know that I won't tell if you won't tell (I won't tell, girl, if you won't t
ell)
But emotions, I don't hide them well
I tried but there's no use, you see, I'm in love with you
It ain't no secret
No, it ain't no secret, no
It ain't no secret
No, it ain't no secret, no
It ain't no secret

Girl, I scared to admit that your love is the shit, that's on me, me, me
There ain't nothing you can do, and nothing you can say that would make me l
eave
Even if I was blind, I couldn't deny that you were the one for me
You're the only one I see
'Cause you're the only one I see

I couldn't hide if I tried it, girl, you got shining as bright as the sun
And I'd be lying if I didn't say that I'm thinking you might be the one
In case you didn't know, girl, I'm in it
I knew what it was from the beginning
And when I say don't want nobody else but you, hope you know that I mean it

Baby, I won't tell if you won't tell (I won't tell, girl, if you won't tell)
Even though it's hard to stop myself from standing on a roof saying I'm in l

ell)
But emotions, I don't hide them well
I tried but there's no use, you see, I'm in love with you
It ain't no secret
No, it ain't no secret, no
It ain't no secret
No, it ain't no secret, no
It ain't no secret
