

## Sleeve

August Alsina

I wear my heart on my sleeve  
Didn't think you would take it and play with it  
I should've been takin' it easy  
Instead I let my head get away from me, no  
Don't got my heart on my sleeve  
I cut 'em off like a wife beater  
And that's the way it's gon' be  
So you can take it or leave it

So you can take it or leave it  
I be protectin' the heart and you don't need a reason  
That's why you seein' me lovin' and leavin'  
'Cause I know that most of you good for a season  
I ain't got time to be movin' in  
Just to be chasin' the one that got away  
'Fore you do the same, you're replacin' him  
I see the game that you play and you know that it's dangerous, babe  
Playin' with a nigga heart can get a nigga shot  
Ain't plannin' no funerals, babe  
I'd rather walk out of here with no feelings caught and that is beautiful, babe  
You can go your way, I can go mine  
And I can't kick it with you, I ain't kick it with you  
I ain't tryna be your gold mine

I know, I know, that you've been hurt before  
Girl, I've been hurtin' too, so that's why I keep it true  
Baby, I fuck with you, I don't wanna beef with you  
Keep it a buck, I'm tryna roll in the sheets with you  
Don't need nothin' new

I wear my heart on my sleeve  
Didn't think you would take it and play with it  
I should've been takin' it easy  
Instead I let my head get away from me, no  
Don't got my heart on my sleeve  
I cut 'em off like a wife beater  
And that's the way it's gon' be  
So you can take it or leave it  
I wear my heart on my sleeve  
Didn't think you would take it and play with it  
I should've been takin' it easy  
Instead I let my head get away from me, no  
Don't got my heart on my sleeve  
I cut 'em off like a wife beater  
And that's the way it's gon' be  
So you can take it or leave it

All a nigga really got is heartache and bubblegum  
And I'm fresh out of bubblegum  
Come through and get you a piece but no catchin' no feelings 'cause that's when the trouble come  
You don't want it, I don't want it either  
If you think that you do, then believe me  
I ain't sayin' that I don't have a good time with you  
That don't be makin' it easy but  
I ain't tryna go there, tryna go there

I don't got no love to spare  
I know I'm fly and I'm debonair  
But for now girl, I'm done with your playin'  
'Cause I wear my heart on my sleeve but let her manipulate it  
Come and take it from me  
Now she done fucked it all up for you, girl  
I ain't lovin' nobody but me

I know, I know, that you've been hurt before  
Girl, I've been hurtin' too, so that's why I keep it true  
Baby, I fuck with you, I don't wanna beef with you  
Keep it a buck, I'm tryna roll in the sheets with you  
Don't need nothin' new

I wear my heart on my sleeve  
Didn't think you would take it and play with it  
I should've been takin' it easy  
Instead I let my head get away from me, no  
Don't got my heart on my sleeve  
I cut 'em off like a wife beater  
And that's the way it's gon' be  
So you can take it or leave it  
I wear my heart on my sleeve  
Didn't think you would take it and play with it  
I should've been takin' it easy  
Instead I let my head get away from me, no  
Don't got my heart on my sleeve
