Tonight

August Alsina

Pull up
Pull up tonight
Tonight
Tonight

Play out your fantasy (Baby)
Let out your stress on me (Stress on me)
You know I got what you need (Yeah, girl)
You gon' be right when you leave here (Yeah, girl)
Tonight (Yeah)
Tonight (Girl come over)
Tonight (Yeah)
Tonight (Come see me)
Tonight (Give it to me, yeah)
Tonight (Ooh, ooh, ooh)
Tonight (Yeah)
Come and get better tonight

Your name at the gate, pull up (Pull up)
Got no time to waste, come inside (Yeah, yeah)
You can leave them heels on (Heels on)
Pull them panties over to the side
Let's get it here in the hallway (Hallway)
Bend over there by the staircase (Stair)
I know that you had a long day (Long)
Girl let's work it out (Oh)
Take it outside on the balcony (Balcony)
Don't give a damn, let the neighbors see (Neighbors see)
I swear I can be your therapy (Yeah, yeah)
That's without a doubt

Throw it back (Back), back shots (Shots)
Flick it up (Up), SnapChat (Chat)
Hands on (Hands on), your body (Body)
Hittin' your spot, like you got it
No games (No games), I play (I play)
You can run it back like replay (Replay)
You ain't know you dealin' with a freak, babe (Pull up)
Beat it 'til you gotta go to sleep, babe (Yeah)

Play out your fantasy (Baby)
Let out your stress on me (Stress on me)
You know I got what you need (Yeah, girl)
You gon' be right when you leave here (Yeah, girl)
Tonight (Yeah)
Tonight (Girl come over)
Tonight (Yeah)
Tonight (Come see me)
Tonight (Give it to me, yeah)
Tonight (Ooh, ooh, ooh)
Tonight (Yeah)
Come and get better tonight

Okay you had a break, wake up (Wake up)
Get in that position that I like (I like)
You say can take it all
It would be a shame if I don't drive (Drive)

Drive off, I put you the long way (Long way)
No I don't want you to stress (No)
Bring all your problems to my room (My room)
So I can help you forget ('Get)
You know we in for a long tonight (Long night)
Hope you remembered to stretch (Yeah)
Don't wanna hear no complainin' (No, no)
Girl when you get in this bed

Throw it back (Back), back shots (Shots)
Flick it up (Up), SnapChat (Chat)
Hands on (Hands on), your body (Body)
Hittin' your spot, like you got it
No games (No games), I play (I play)
You can run it back like replay (Replay)
You ain't know you dealin' with a freak, babe (Pull up)
Beat it 'til you gotta go to sleep, babe (Yeah)

Play out your fantasy (Baby)
Let out your stress on me (Stress on me)
You know I got what you need (Yeah, girl)
You gon' be right when you leave here (Yeah, girl)
