

# You Da One

August Alsina

She say she  
Love me she  
Wanna be with me all the time  
And yo girl keep tellin me we meant to be  
Beggin me to put it in the line  
Coz I know how to handle that  
There ain't no denying that  
Stop all of your crying, if you want me to I'll handle that  
You must be her bodyguard cuz I see you trying hard  
And she fallin for me nothin you can do bout that.

You da one that sent yo girl ma way  
Wasn't on your shit so I took your girl away  
Now she ma bad girl I make her misbehave  
Used to be yo girl but now she's mine.
