

Boston

Augustana

In the light of the sun, is there anyone? Oh, it has begun...
Oh dear, you look so lost, your eyes are red and tears are shed
,
This world you must've crossed...
You said...

You don't know me, and you don't even care, oh yeah,
And you said
You don't know me, and you don't wear my chains... oh yeah,

Essential yet appealed, you carry all your thoughts across an open field,
When flowers gaze at you... they're not the only ones who cry when they see you
You said...

You don't know me, and you don't even care, oh yeah,
Well you said
You don't know me, and you don't wear my chains... oh yeah,

She said I think I'll go to Boston...
I think I'll start a new life,
I think I'll start it over, where no one knows my name,

I'll get out of California,
I'm tired of the weather,
I think I'll get a lover and fly him out to Spain...

Oh yeah and I think I'll go to Boston,
I think that I was tired
I think I need a new town to leave this all behind...

I think I need a sunrise,
I'm tired of the sunset,
I hear it's nice in the summer, some snow would be nice... oh yeah,

You don't know me, and you don't even care, oh yeah...

Boston... where no one knows my name...
Where no one knows my name...
Where no one knows my name... yeah

Boston...
No one knows my name.
