

Like a Whisper

Augustana

She wakes up every morning
Sun shining through the window
It only feels like a cruel joke
Laughing in her face while the tears flow

Wake up every evening
Just waiting for the phone to ring
Just want to hear your voice again
Tell you just remember when

All the rain falls down
And it only sounds
Like a whisper (ooh)
You'll come back to me
And the rain falls down
And it only sounds
Like a whisper (ooh)
You'll come back to me
Someday you'll come back

Thunder in the distance
Brings back memory
Of a love we could never be
She's still the one for me and

Everything I loved in you
Everything you loved in me
Played out like a tragedy
Oh, honey, I can still believe

All the rain falls down
And it only sounds
Like a whisper (ooh)
You'll come back to me
And the rain falls down
And it only sounds
Like a whisper (ooh)
You'll come back to me
Someday you'll come back

Come on and give me one more chance
This time around I'm gonna make it last
I once was blind, but now I see
Baby, you were always the one for me

All the rain falls down
And it only sounds
Like a whisper (ooh)
You'll come back to me
And the rain falls down
And it only sounds
Like a whisper (ooh)
Like a whisper (ooh)
God I miss her
You'll come back to me
Someday you'll come back to me
