

Can't Steal The Music

Aura Dione

I loved you more than quite was good for me
I tried pretending nothing's wrong
You used to break me down with honesty
And now the honesty is gone
Still wrong, still wrong

So, let me just for once, let me dance to the music
You can't take that from me
Can I just for once, can I dance to the music?
You can't take that away
Can't steal the music

Can't steal the music

Last time I saw you it was dangerous
I gotta erase that part of mind
If it is bigger than the both of us
Why do I feel so small inside?
Still wrong, still wrong

So, let me just for once, let me dance to the music
You can't take that from me
Can I just for once, can I dance to the music?
You can't take that away
Can't steal the music

Can't steal the music
Can't steal the music
Can't steal the music

Still wrong, still wrong
Still feel like a coward
But if I saw, if I saw you now
It would be over, overpower

So, let me just for once, let me dance to the music
You can't take that from me
Can I just for once, can I dance to the music?
You can't take that away
Can't steal the music

Can't steal the music
Can't steal the music
Can't steal the music
Can't steal the music
