

# Unloved

Aura Dione

When you see the first butterfly in Budapest  
Think of me  
When you hear the first love song in Sicily  
Dream of me  
When you smoke your first joint in Tel-Aviv  
Remember me

Don't you dare, I kept the light on  
Knowing you're scared of the dark  
Don't you dare, I never left you  
Even though we are apart

If you're feeling unloved  
It's not true  
If you're feeling unloved  
It's just you  
If you're feeling unloved  
It's not true  
I'm still here

When you're lost on the side streets of Amsterdam  
Think of me  
When you meet a girl and walk her home  
Dream of me  
When she asks you "Are you with someone?"  
Remember me

Don't you dare, I kept the light on  
Knowing you're scared of the dark  
Don't you dare, I never left you  
Even though we are apart

If you're feeling unloved  
It's not true  
If you're feeling unloved  
It's just you  
If you're feeling unloved  
It's not true  
I'm still here trying to love you

Trying to love you  
Don't you dare  
Don't you dare  
Don't you dare  
I'm still here

Seem so distant, seem so far  
I know you for who you are

If you're feeling unloved  
It's not true  
If you're feeling unloved  
It's just you  
If you're feeling unloved  
It's not true  
I'm still here

Don't you dare, no  
Don't you dare  
Don't you dare  
Cause I'm still here

So I, I got on the train and I got off in Paris  
And then I went down to the circus  
Cause you told me that Russian polar bears were gonna be ice skating  
And I, I try to find you and I think I just saw you  
And the popcorn cracking under my shoes  
It feels kinda dangerous but I see you  
I see you! Ha! And I see her  
She looks like me
