Au/Ra

(Don't wipe this smile right off my face)
(Don't want this fragile heart to break)
(Ah emoji, ah ah emoji)

Boy, I think you must be cool
'Cause you use the alien face
And where you are, I got no clue
Might as well be outer space

Textin' me 2 a.m. before I go to sleep
Messaging all p.m
Smiley showing teeth
Using thumbs in lowercase duels
That's how we communicate

I don't like April Fools
Just when you think you know me
I don't play catfish rules
I'd rather stay Emoji
(Ah emoji, ah ah emoji, ah emoji, ah ah emoji)
I'd rather stay Emoji
(Ah emoji, ah ah emoji, ah emoji, ah ah emoji)
I'd rather stay Emoji

Even if your screen name's fake
Drop a pin in Google Maps
'Cause I won't go there anyway
You don't have to watch your back

Texting me 2 a.m. before I go to sleep
Messaging all p.m
Smileys showin' teeth
Love it when we play this game
They should make our lives an app

I don't like April Fools
