

Levitating

Au/Ra

If you wanna run away with me I know a galaxy
And I can take you for a ride
I had a premonition that we fell into a rhythm
Where the music don't stop for life

Glitter in the sky, Glitter in my eyes
Shining just the way I like
If you're feeling like you need a little bit of company
You met me at the perfect time

You want me, I want you baby
My sugar boo, I'm levitating
The milky way, Is liberating
(Yeah! Yeah! Yeah! Yeah! Yeah!)

I got you, Moonlight
You're my, Starlight
I need you, All night
Come on and dance with me. I'm levitating
You, All night
You're my, Starlight
I need you, All night
Come on and dance with me. I'm levitating

I believe that your for me
I feel it in our energy
I see it written in the stars
We can go forever
So let's do it now or never
Baby nothings ever ever too far

Glitter in the sky, Glitter in her eyes
Shining just the way we are
I feel like we're forever every time we get together
No we're never gonna be apart

You want me, I want you baby
My sugar Boo, I'm levitating
The milky way, Is liberating
(Yeah! Yeah! Yeah! Yeah! Yeah!)

I got you, Moonlight
You're my, Starlight
I need you, All night
Come on dance with me. I'm levitating
You, All night
You're my, Starlight
I need you, All night
Come on dance with me. I'm levitating

You can fly away with me tonight
You can fly away with me tonight
Baby lemmie take you for a ride
You can fly away with me tonight
You can fly away with me tonight
Baby lemmie take you for a ride

You want me, I want you baby
My sugar Boo, I'm levitating
The milky way, Is liberating
(Yeah! Yeah! Yeah! Yeah! Yeah!)

I got you, All night
You're my, Starlight
I need you, All night
Come on and dance with me. I'm levitating
You, All night
You're my, starlight
I need you, all night
Come on and dance with me. I'm levitating
