

All Is Soft Inside

AURORA

I don't know why
But I feel down
You need to know
I can't go on

I was a rose
I was an animal
Don't let me change
Don't let me go

All around is stone
And all is soft inside

All that I know
Lies within emotion
Words remain unspoken
Lead me through the dark
All I could see
Came to me in colour
Lasted for a moment
Lead me through the dark
All that I know

I need it all
I don't know where to begin
I carry more than you see
My dreams are bigger than me

Please give me light
I bear a shadow
I call then back to me
So they can feed me

All around is stone
And all is soft inside

All that I know
Lies within emotion
Words remain unspoken
Lead me through the dark
All I could see
Came to me in colour
Lasted for a moment
Lead me through the dark
All that I know
All that I know

Did you know
That we're all
Turning softer inside
We can save
What is pure
If the hearts can collide
All that I've ever known
Is the universe is wild
Is the universe is wild
