

# Running with the Wolves

AURORA

Go row the boat to safer grounds  
But don't you know we're stronger now  
My heart still beats and my skin still feels  
My lungs still breathe, my mind still fears  
But we're running out of time, time  
For the echo's in my mind, cry

There's blood on your lies  
The skie's open wide  
There is nowhere for you to hide  
The haunting moon is shining

I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the (wolves)

Trick or treat, what would it be?  
I walk alone, I'm everything  
My ears can hear and my mouth can speak  
My spirit talks, I know my soul believes

But we're running out of time, time  
For the echo's in my mind, cry

There's blood on your lies  
The skie's open wide  
There is nowhere for you to hide  
The haunting moon is shining

I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the wolves  
I'm running with the wolves tonight  
I'm running with the wolves

I gift and curse  
They track it hurts  
I can't be dreaming  
The night deceives us,  
A million voice inside my dreams  
Where hope is left so incomplete

I'm running with the  
I'm running with the wolves  
I'm running with the  
I'm running with the  
I'm running with the  
I'm running with the wolves!

I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the wolves tonight  
I'm running with the wolves

I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the
