

Silhouettes

AURORA

Myself inside a mirror on the wall
A look within my eyes I can't recall
A feeling that I was no more
And when I stopped, the silhouette moved on

She turned her head and walked away
So far I can no longer see
Hey, hey
My own reflection on the wall
Is no longer reflecting me
Hey, hey

I look in the mirror I see reflections
I see the eyes of somebody else
I look in the mirror I see reflections
I see reflections of myself

The lady was a part that I've ignored
I've felt her underneath my skin before
I tried to never listen to her words
Until they were the only words I heard

The lady on the other side
She screamed again with angry eyes
Hey, hey
And in my hand there was a stone
I threw it and the mirror broke
Hey, hey

I look in the mirror I see reflections
I see the eyes of somebody else
I look in the mirror I see reflections
I see reflections of myself

Go back where you came from
Where you belong
From all the anger
Where you are numb

I look in the mirror I see reflections
I see the eyes of somebody else
I look in the mirror I see reflections
I see reflections of myself

Go back where you came from
Where you belong
From all the anger
Where you are numb
