

The Seed

AURORA

Just like the seed
I don't know where to go
Through dirt and shadow I grow
I'm reaching light through the struggle
Just like the seed, I'm chasing the wonder
I unravel myself, all in slow motion.

You cannot eat money, oh no
You cannot eat money oh no
When the last tree has fallen and the rivers are poisoned, You
cannot eat money oh no
You cannot eat money, oh no
You cannot eat money oh no
When the last tree has fallen and the rivers are poisoned, You
cannot eat money oh no

Suffocate me, so my tears can be rain
I will water the ground where I stand
So that the flowers can grow back again

cause just like the seed, everything wants to live
We are burning our fingers
But we learn and forgive

You cannot eat money, oh no
You cannot eat money oh no
When the last tree has fallen and the rivers are poisoned, You
cannot eat money oh no
You cannot eat money, oh no
You cannot eat money oh no
When the last tree has fallen and the rivers are poisoned, You
cannot eat money oh no

Feed me sunlight, feed me air
Feed me truth and feed me prayers
Feed me sunlight, feed me air
Feed me truth and feed me prayers

I see images of killer whales

You cannot eat money, oh no
You cannot eat money oh no
When the last tree has fallen and the rivers are poisoned, You
cannot eat money oh no
You cannot eat money, oh no
You cannot eat money oh no
When the last tree has fallen and the rivers are poisoned, You

cannot eat money oh no
