

# Seize The Day

aurorawave

It's so easy to get lost in the commotion  
Of where you are and where you wanna be  
Remind yourself to stay within the moment  
Before you know it, it could all be out of reach

So, we got to seize the day  
Don't let it slip away  
They say you don't know what you've got until it's gone  
Living in this time and space  
Try to appreciate  
'Cause life is rolling on and on, and on, and on  
We've got to seize the day

We've got to seize the day

Got so much trouble trying to come my way  
Still can't believe just how sick and numb I stayed  
Life goes so quick  
I can't let it run by me  
Don't owe nobody. No. I'm the one I pay

Sometimes I even looked at the sun sideways  
Come to find out that it really was eerie  
No I can't win 'em all just because I say  
I wanna be awake

So, we got to seize the day  
Don't let it slip away  
They say you don't know what you've got until it's gone  
Living in this time and space  
Try to appreciate  
'Cause life is rolling on and on, and on, and on  
We've got to seize the day

We've got to seize the day

Got so much trouble trying to come my way  
Still can't believe just how sick and numb I stayed  
Life goes so quick  
I can't let it run by me  
Don't owe nobody

Every day we're given is a blessing  
Be grateful for each moment that you get  
Because as sure as the sunrise in the morning  
Eventually it too will come to set

So, we got to seize the day  
Don't let it slip away  
They say you don't know what you've got until it's gone  
Living in this time and space  
Try to appreciate  
'Cause life is rolling on and on, and on, and on  
We've got to seize the day

We've got to seize the day
