

WAVE SHIT

aurorawave

Alright back to the basics, we came to break shit
Every single day shit, fuck a vacation
The throne is vacant, we come to claim it
Everybody in the house scream
Death to the lame shit
All up in your face with the sound so dangerous
When the music hits, it ain't gonna be painless
W-A-V-E for life that's right
'Cause you're rocking with the wave shit now

And we're about to burn shit down

Phase one complete, phase two coming full speed
I need everybody on their feet
Non-believers read it and weep
Fuck what you heard tell me what do you see?
Not here to take part, we're here to take over
We play for keeps you play for exposure
Sudden death, no closure
Turn it up loud 'cause you're rocking with the wave shit now

And we're about to burn shit down
Rocking with the wave shit
Rocking with the wave shit now

Rocking with the wave
Rocking with the wave shit now

Rocking with the wave
Rocking with the wave shit now

Alright back to the basics, we came to break shit
Every single day shit, fuck a vacation
The throne is vacant, we come to claim it
Everybody in the house scream
Death to the lame shit

All up in your face with the sound so dangerous
When the music hits, it ain't gonna be painless
W-A-V-E for life that's right
'Cause you're rocking with the wave shit now

And we're about to burn shit down

Rocking with the wave shit now

And we're about to burn shit down

Rocking with the wave shit now
